Ingredients

1 12 in. BQ® High-Rise or Self-Rise Pizza Crust

4 string cheese sticks

1/8 cup BQ® Garlic Spread

5 oz. BQ® Pizza Sauce

5 oz. mozzarella cheese

Toppings of your choice

1 tsp. BQ® Pizza & Stromboli Seasoning

Instructions

1. Thaw crust (cover until thawed).
2. Cut string cheese in half lengthwise and into 1-2 in. sections. Place pieces on pizza crust about 1 in. from the outside edge.
3. Using your finger, wet the outside edge of the pizza crust with water or oil and fold over the string cheese, pressing the wet edge into the dough on the inside to give it a nice seal.
4. Brush Garlic Spread on the crust rim and sauce the inside.
5. Add shredded mozzarella and your favorite toppings and bake until done.
