

BQ® Bread

Breadsticks

BQ® Breadsticks make the perfect side or appetizer. Create a great experience for customers before and during their meal with delicious breadsticks.

Storage & Baking

Breadsticks should be stored in the freezer until ready to use. Thaw prior to using. Each flat of parbaked breadsticks is scored to make nine long breadsticks or 18 short breadsticks. Breadsticks will cook best in ovens set to 425-475°F. Temperatures are guidelines and will vary based on oven performance.
