

BQ® Bread

Sandwich Bread

Sandwich flats can be used in a variety of ways to create warm or cold sandwiches, flatbreads and table bread. They are pliable and can be easily folded when thawed.

Storage & Baking

Sandwich flats should be stored in the freezer until ready to use. Thaw prior to using. If baking, set oven between 400-450°F. Temperatures are guidelines and will vary based on oven performance.

Shelf Life

❄️ 90 days frozen

Item Number / Case

6.5 in. x 6.5 in. 75166 / 40
